Section 1 – Introduction

This directory provides a list of The Health Plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

The Health Plan SecureCare & The Health Plan SecureCare D-SNP Members:

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a prior authorization. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor The Health Plan will be responsible for the costs.

The Health Plan SecureChoice Members:

When you enroll, you may select a **P**rimary **C**are **P**rovider (PCP) who is a member of our network.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require prior authorization. You may get covered services from non-network providers. With the exception of emergencies and dialysis, it may cost more to get care from out-of-network providers.

Out-of-network providers are under no obligation to treat our enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department at 1.877.847.7907, October 1 to March 31, from 8:00 a.m. to 8:00 p.m., 7 days a week and April 1 to September 30, from 8:00 a.m. to 8:00 p.m., Monday through Friday. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

USING THE PROVIDER DIRECTORY AND INFORMATION YOU SHOULD KNOW

All participating providers are listed alphabetically under the appropriate section.

PRIMARY CARE PHYSICIANS: All HMO members must choose a primary care provider (PCP) from the physicians listed in the "Primary Care" section of this directory. You may change your PCP no more than once per calendar month.

Non-physician practitioners can be listed as a PCP:

- Certified nurse practitioners
- West Virginia physician assistants

EMERGENCY/URGENT CARE SERVICES: If you are an HMO member, The Health Plan will not pay for services or treatment ordered or rendered by health care providers who are not members of our network, except in urgent or emergency cases. Should you need urgent care, contact your PCP first for direction. If you have an emergency and are taken to any emergency room, contact your PCP as soon as possible. If you are admitted to the hospital, your PCP should be notified in order to best coordinate your care. All follow-up care stemming from prior emergency or urgent treatment must be rendered on an outpatient basis at a participating provider's office in order to be covered. If you are referred to a specialist, be sure to check this directory to see if the provider is included. Or, you can call Member Services at the phone numbers listed at the end of this section.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area you can

obtain dialysis treatment from any qualified dialysis provider.

Appointment wait time standards:

The Health Plan monitors access to practitioners against the following standards:

Primary Care: initial or follow up routine care scheduled within 21 calendar days, urgent care scheduled within 48 hours.

Behavioral Health: initial routine care scheduled within 10 business days, follow up routine care scheduled within 30 business days for prescribers and 20 business days for non-prescribers, urgent care scheduled within six hours.

All members: In the event you have received medical care from a non-network provider, any bills you receive should be sent directly to The Health Plan for processing. Once the bill has been processed, you will receive an Explanation of Benefits from The Health Plan indicating the amount you are responsible for, if any. Should you receive a bill from a non-network provider that has not been processed by us, please contact Member Services for direction at one of the numbers listed at the end of this section.

"Emergency services" means covered inpatient and outpatient services that are (1) furnished by a qualified provider, and (2) needed to evaluate or stabilize an emergency medical condition. These services include emergency services provided both within and outside of The Health Plan.

"Emergency medical condition" means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, with an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in (1) serious jeopardy to the health of the individual or unborn child, (2) serious impairment to bodily functions, or (3) serious dysfunction of any bodily organ or part.

"Urgently needed services" means covered services provided when an enrollee is generally temporarily absent from our service area (or continuation area, if applicable) that are immediately required as of (1) an unforeseen illness, injury or condition, and (2) it is not reasonable given the circumstances to obtain the service through our network.

PODIATRIC OR CHIROPRACTIC SERVICES: Podiatrists performing procedures are limited by our guidelines in accordance with experience, training and certification. Chiropractors are limited to certain services within the scope of their contract with us and the specific plan's covered benefits.

ANCILLARY/OUTPATIENT SERVICES: Providers such as ambulance, outpatient surgery centers, medical equipment and supplies, physical therapy, laboratory, X-ray, etc. are listed in the back of this directory. You may access any providers indicated in this section. If a service requires your physician's pre-certification by us, be sure you have received this before accessing care or obtaining supplies. Please refer to your Evidence of Coverage for clarification regarding the need for pre-certification of services.

PRECERTIFICATIONS: To inquire about whether a service requires a pre-certification, or to verify authorization prior to accessing services, please contact Member Services at one of the numbers at the end of this section.

ADDITIONAL SERVICES: Certain X-rays and diagnostic tests may be done in a physician's offices. Please check with your physician's office to determine if they can provide the services you may need.

SUPPLEMENTAL VISION BENEFITS: If you have supplemental vision benefits through Superior Vision, HMO plan members are limited to the ophthalmologists or optometrists included in their network. PPO plan members may be able to see out-of-network providers with out-of-network cost sharing amounts and may need to pay at time of service and submit bills to The Health Plan for reimbursement. Superior Vision provider information is located either in your membership packet or you may access the Superior Vision plan website to locate a vision provider near you.

PRACTITIONER QUALIFICATIONS: If you have any questions regarding the professional qualifications of any participating practitioner, please call The Health Plan Provider Relations Department at 1.800.624.6961, ext. 7901.

NON-NETWORK PROVIDERS: A non-network provider is a hospital physician or other healthcare provider that is not contracted with our plan. PPO members do not need prior authorization to obtain covered services from non-network providers; however, your cost-sharing may be higher than if you were to obtain these services from our network providers.

CHANGES TO THIS DIRECTORY: This directory changes frequently. Any questions regarding the status or location of a provider should be directed to Member Services at one of the numbers listed below. You can access our online provider directory at findadoc.healthplan.org.

PHYSICIAN HOSPITAL AFFILIATIONS: Physician hospital affiliations can be found on findadoc.healthplan.org.

Tertiary Hospitals

SecureCare HMO, SecureCare Capitol Plan (HMO) and SecureCare SNP (HMO SNP) members only: When a THP member requires specialty care or services not available through our local in-plan network providers, then his/her physician will refer them to one of The Health Plan's participating tertiary providers. Referrals to non-participating providers will not be authorized by The Health Plan if the required services can be provided by our tertiary network. All tertiary services will be referred to participating tertiary facilities unless, of course, the facility is unable to provide a particular service, at which time, The Health Plan may give prior approval for another facility.

Remember, out-of-area referrals to both participating and non-participating facilities must be pre-authorized by The Health Plan Medical Department and will not be approved after the fact except for true documented emergencies.

SecureChoice PPO and SecureChoice Capitol Plan (PPO) members only: Tertiary providers are considered in-network providers. You may visit a tertiary provider without prior authorization. Note: Although most physician/facility visits do not require pre-authorization, certain services received in- or out-of-network do require pre-authorization. Please refer to your Evidence of Coverage (Member Handbook) for physicians, facility and/or services that require pre-authorization.

If you have any questions about tertiary facilities or any other subject, please call us at 1.877.847.7907, TTY users should call 1.800.622.3925.
